

Buy a Brick, Preserve a Memory

*Celebrate an event, memorialize a loved one or pet, honor a citizen, thank a volunteer, recognize a neighbor, show your business support for Vail, or just set your name in stone
~ leave a lasting legacy!*

Proceeds from your bricks will go toward the completion of The Vail Community Plaza in front of the Vail Theatre of the Arts and support two great community organizations.

sample sentiment:

With a gift of \$60, a brick will be engraved with your sentiment. The bricks will be incorporated into the new Vail Plaza design near the theatre courtyard at Empire High School to give permanent recognition to your contribution.

After the initial sale of 200 bricks, the price will rise, so order multiples - one for the plaza and one for your home!

To order your brick, email ddonaldsn5@aol.com to request a form, or pick up forms at the Vail School District office.

The Vail District Theatre of the Arts and the Vail Community Action Board thank you for your support of this great community project.
